- **ZOOM workshops for Actuarial Clubs**

| Topics for workshops | Details |
|---------------------------|---|
| Actuarial Pathways | What are all the options? Learn about the SOA, CAS, and IFoA and what may be the best route for you. We can tailor the talk to include only SOA and CAS or to add CIA, IAI or other pathways. |
| Exam Strategies | Why is it important to take exams in college? Strategies and insights into studying for and taking Actuarial exams. |
| Actuarial Careers | Learn about industry areas, building your personal brand, job search strategies, writing resumes, cover letters and the interview process. |

- Hosted by a member of the ACTEX Academic Team
- Customized based on the needs of your Club.
- Insight into ACTEX study materials and resources to support actuarial pathways.
- Share news about our new and free products.
- Encouragement for lots of questions!

- **Access to Free Exam Prep, Internship and Career Preparation Resources**
 - Formula Sheets
 - Actuarial Career Books
 - Actuarial Apprenticeship Course
 - Videos on Excel
 - Recorded Webinars

**Not all products are available for all exams*
